Remote Learning:

As we begin Term 4, we are once again facing the challenge of Remote Learning. Thank you to all parents for your perseverance during this time. As Moorabool comes out of lockdown next week, we will hopefully be able to start getting our students back onsite. Term 4's usual activities will possibly be watered down due to the amount of time that we will have the students back onsite fulltime. Our focus will be on catching them up on their learning as much as possible before the year ends.

Tutor Program:

Yesterday, the Government announced that the Tutor Catch Up Program will continue to be funded in 2022. This is great news as Miss Rees will be able to continue providing additional support to students identified as requiring assistance. We will use end of year assessment data and teacher judgement to determine those students deemed eligible.

Ivan's Pies:

Dianne Taylor has organised for our pie orders to be delivered on the 4th November.

Excursions/Incursions:

The Operation Guidelines state that we are not to hold any excursions or incursions at this stage. Therefore, any excursions planned for this year will need to be postponed until 2022. End of year celebrations – Graduation, Concert etc. will need to comply with the guidelines. As such, we will update families closer to the date regarding these activities.

Father's Day Raffle:

We will still have our belated raffle once all grade levels have returned onsite.

Interesting Fact:

Did you know Andy Griffith and Terry Denton have just released their 11th Treehouse book? The 143-Storey Treehouse will have a live event online on Sat 23rd October. If you want to ask a question to Andy and Terry, all you have to do is film yourself asking, and upload the video by Oct 12th. You can find out more on the Wheeler Centre website.
