Staggered Return:

It was nice having all our Grade P-2 students back onsite yesterday. They were certainly very excited to see each other. Today Mr Smith's grade has returned and the school is starting to feel normal again. I'm sure Mr Sautner's grade is looking forward to their chance to get back on Thursday and Friday.

We have one more week of the staggered return and then all students can commence full time on the 25th October.

Ivan's Pies:

Dianne Taylor has organised for our pie orders to be delivered on the 4th November.

Congratulations:

Ella has been selected to participate in the Victorian High Ability program in Literacy this term. Well done Ella.

Father's Day Raffle:

We will still have our belated raffle once all grade levels have returned onsite. Please send back tickets and prize donations this week.

Squid Game:

Yesterday, some students in Grade 1 & 2 were discussing the Netflix series, 'Squid Game' at school and were attempting to play a game at recess from the show. I have spoken to these children regarding it being rated MA18+ and that it is a very inappropriate and graphic show which is not to be brought into the school grounds either through games or discussion. Please speak to your child/ren if they have been watching it and remind them that it is not appropriate at primary school.
