**Balliang East Primary School Newsletter**

16th November, 2021

**Volume: 13 Issue: 36**

## **Check Your Child's Bag!!**

**Forms sent home this week:**

## **Covid Update:**

With our current situation, now is the perfect time to remind everyone to respect the privacy of others regarding the details surrounding the case. I have no doubt that everyone will give there 100% support to this family as is always the Balliang East way when situations arise.

Could I please ask that all parents who have either received one vaccination or are fully vaxed to provide me with a copy of their certificate so that I can keep it for our records in case of contact tracing enquiries. It is filed it securely at school with very limited access. A screenshot of your digital certificate is sufficient. Could I also have a copy of the Grade 6 student's certificates that have been vaccinated please. These are even more important for us to have on file, particularly this week.

## **Foodbank Cooking Sessions:**

The feedback from last week's Cooking sessions was very positive. See below for some of the photos sent to us from participating families.

Due to our current situation tomorrow's session will be cancelled and combined with Week 3's session on the 24<sup>th</sup> November.

## **Naplan results:**

Could I remind all parents of students in Grade 3 & 5 that they are able to come up to the office and collect their child's Naplan results.

## **Sovereign Hill – cancelled:**

Apologies for the last minute cancellation of Grade 5's Sovereign Hill excursion. I will try my best to have them included in next year's excursion.

## Vaccination Requirements:

The following information is the latest information from the School Operations Guide:

### **Vaccination requirements for visitors and volunteers performing work in schools**

Visitors and volunteers performing work on school sites (both inside and outdoors) must have had at least one dose of COVID-19 vaccine and must have had two doses of COVID-19 vaccine by 29 November 2021 or have a valid medication exception.

### **Vaccination requirements for parents and carers attending schools**

All parents and carers attending schools, including for drop off and pick up must also adhere to physical distancing, density limits, face mask requirements and practise respiratory etiquette and good hand hygiene.

Parents and carers who enter school buildings must check in using the QR code.

Parents and carers who enter school buildings must also have had at least one dose of COVID-19 vaccine and must have had two doses of COVID-19 vaccine by 29 November 2021 or have a valid medical exception with the following limited exceptions:

- when attending to administer medical treatment to their own child when the treatment cannot be administered by the school
- when attending to collect their child who is unwell and cannot leave the school building unaccompanied by their parent/carer.
- when attending for a momentary period that does not involve any sustained contact with staff or students, for example, to collect a completed art project or similar.

Parents and carers attending any event or activity inside a school building including, but not limited to tours, graduations, kindergarten transition, whole of school events are required to show evidence of vaccination.

Meetings and other discussions (such as Student Support Group meetings) with parents and carers who do not meet vaccination requirements should be held virtually.

Parents and carers attending school sites for drop off and pick up who do not enter school buildings do not need to comply with vaccination requirements.
