Parent Payment Plans – 2022 school fees and book pack link

Covid Update:

Could all parents who have either received one vaccination or are fully vaxed, provide me with a copy of their certificate so that I can keep it for our records in case of contact tracing enquiries. It is filed it securely at school with very limited access. A screenshot of your digital certificate is sufficient. Could I also have a copy of the Grade 6 student's certificates that have been vaccinated please. These are even more important for us to have on file, particularly this week.

Any person attending the school concert will need to be fully vaccinated if they are intending or needing to enter any buildings on-site eg. Toilets, Multi-purpose Room, classrooms. Parents and visitors will need to comply with the density quotient of 1 person per 2 square meters. Face masks are required for unvaccinated people and highly recommended for those who are vaccinated. Proof of vaccination status is required prior to concert night.

2022 Fees / Book packs: **VERY IMPORTANT – PLEASE READ CAREFULLY**

Last night, School Council approved the 2022 fee structure. Today, all families will receive the Parent Payment Plan for each of their children for next year. Each plan is slightly different for each grade level.

There are two costs for 2022. One payment needs to be paid to the school and the other is a direct payment to Rapid Office Supplies.

The school payment is made up of additional book pack items that we already have at school (these will be provided through Rapid Office supplies in 2023 but we had some in stock this year which we are going to distribute), Shared Items and Extra-Curricular Activities. The total cost is on the green section on the plan. This needs to be paid between 1st Jan and 4th Feb 2022.

The Book Pack component is to be ordered directly through Rapid Office Supplies. Click on the link below or type the address into your browser.

<https://new.rapidoffice.com.au/balliang-east-primary?sort=alphaasc>

Once you open the link you will have a choice of grade levels. Add each pack you require to the cart and pay directly online. The total cost includes the GST component.

The orders will be packed and delivered to school before the beginning of Term 1 and the teachers will have the items labelled for each child. **Orders must be placed no later than Friday 10th December, 2021.**

If you do not place an order by the due date, you will be charged an additional cost as the prices will revert to retail, not bulk costs and your items may not be delivered in time for the start of the year.

If you have any questions regarding the process, please see me before the 10th December.
